SENIOR CLASS  
ELECTS OFFICERS

A meeting of the Senior Class was held on the evening of November 1st, and, after much discussion, the following officers were elected for the ensuing year: President, Frank Leo McKinney; Vice-president, Edmund Woodward; Secretary, Russel Hamilton; Treasurer, John D. Calderwood. Mr. P. B. Skerrye, sponsor.

The Milestone Board was also elected, as follows: Editor-in-chief, Peter Albiani; Associate Editor, Norton Pickering; Business Manager, Frank McKinney; Art Editor, Russel Hamilton; Circulation Manager, Warren Lane.

HOW TO CONCENTRATE

Enter study hall loudly. Walk heavily to your desk. Let the cover drop at least twice. Sharpen several pencils, hitting three people on the way. Go to your room for a necessary book. Find the assignment by talking first to three people not in the class. Return to desk kicking at least one person in the ankle. Observe the length of the lesson. Drum with your fingers on the desk. Try a pencil and keep time with your fist. Observe with envy the gambolings of the festive squirrel. Wish that you were home. Draw ground plan of home. Go to class, achieve a zero, and return at two o'clock convinced that you are the victim of an organized conspiracy of prejudiced masters.

STUDENT COUNCIL

The Student Council for the first half year is composed of: Frank L. McKinney, Chairman; Edmund F. Woodward and Warren S. Lane, senior representatives; William C. Bottger and David N. C. Hyams, junior representatives; Edgar J. Hart (sophomore representative); F. Forrest Morrill, freshman representative; and Walter J. Whitehead of the Junior School.

The students will welcome the news that John, the chef at the golf club, will keep his kitchen open until December 1.

McK—y: They call me Izzy in fun. My real name is Leo.  
Chorus: Well, that's funnier.

H—I: I come from Boston and I'm a bad bean.  
H—n: Boy, you mess with me and you're going to be a has-been.

FOOTBALL

DUMMER PUTS UP GOOD  
BATTLE AGAINST PRIVATE  
SCHOOL CHAMPIONS

On October 30 the strong Milton Academy outfit won their twelfth straight victory by defeating the light Dummer team 27 to 0 on the Milton field. Dummer was totally out-cassed but put a scrappy team on the field and although outweighed twenty pounds to a man held them far better than was expected. Three regulars were missing from the lineup including: Wally Temple, great ground-gaining halfback, who has an injured shoulder; and Lane, tackle, and Schultz, fullback, who are out because of scholastic difficulties. Milton was held scoreless in the first and last periods but scored twice each in the second and third periods. Batchelder with his broken field running and Ticknor with his line plunging were the Milton satellites, while Sawyer scintillated for Dummer. The features of the game were Batchelder's fifty yard run through a broken field on an end run and Dummer's great stand within the five yard line for four downs. Milton brought the ball to the one foot line in three downs and on their last chance to put the ball over fumbled and were smeared for a loss of eight yards and the ball by Bert Temple.

Dummer won the toss and chose to receive. The kick was run back to the thirty yard line but Dummer failed to make the necessary yardage and lost the ball on downs. Then Milton started in on their running attack which ended only in Dummer's strong stand mentioned above. The first period ended without score. In the second, Batchelder taking the ball around end from scrimmage behind a perfect screen of interference tore fifty yards for the first score of the game. Wood was successful in his dropkick for the extra point. Later in the same period Bolton pulled down a forward pass and romped thirty yards only to be robbed of a touchdown by Padula who nailed him on the one yard line. Ticknor drove it over on the next play. Again Wood was successful in his try for the extra point. In the third period Milton completed several forward passes that went for long gains. Dummer held the line well but was completely outplayed by this aerial attack. After a string of first downs Ticknor took the ball over for the third touchdown. Late in the third period Batchelder ran back a punt to Dummer's five yard line and Ticknor took the ball over for the final tally of the game. This time

a forward pass, Wood to Beyer, was attempted for the extra point and although it was knocked down Dummer was offside and they were awarded the point. In the last period subs were thrown in and were held scoreless.

The team seems to have come to life with a snap and accomplished a notable feat when they held the heavy Milton team, one of the best in the state, to so low a score with so many regulars out. It is interesting to note that this is less than the score was last year.

JUNIOR TEAM WINS TWO GAMES

The Junior team has started its season by scoring seventy-three points to its enemies blank. The Dummer backfield leaves little to be desired with Hosmer at quarter, Emery at full, and Robinson and Whitehead at the halves. The line has done its work well and simplified matters so much for the backs.

The first game was a walkaway for the Juniors. Their opponents were the Rowley Boy Scouts who proved to be no match for the Red and White and succumbed to a fifty-three to nothing score. The touchdowns were made by

Emery, Hosmer and Whitehead. Hosmer supplied the necessary goals.

The second game, against the Kelley school of Newburyport, was more of a contest since the teams were more evenly matched. The Juniors gained directly after the ball was in their possession and every other time afterward that they held the ball. They were prevented from scoring more only because the opposition was sufficient to slow them up. However, three touchdowns were enough to put the game on toast for the home team. Emery crashed through for two of these and Robinson scored the third. Hosmer made the extra tallies.

Wagner's good playing at left end was cut short in the second period. His leg was broken in one of the scrimmages. The team will feel his loss as he was one of the best defensive players.

DUMMER SECOND TEAM  
SCORES FIRST VICTORY

Monday the eighteenth saw Dummer's first gridiron victory of the season. The Second team was in fine form and ran up a total score of twelve points to their opponent's zero. The opposing Newburyport Freshmen put up a plucky battle but were downed by the heavier seconds. The stars of the game were Fitzsimmons and Page for Dummer, and St. Jean and Edwards on the Frosh.

Dummer got off to a good start, Fitz and Page scoring touchdowns in the first two periods after long runs. Steinharter and Fuller both made good

EDITORIAL

A cause for comment is the recent episode which took place on the bus returning from the week-end. Some sadly injudicious week-enders with a perverted sense of humor opened the suitcase belonging to a youngster who could in no way protect himself or his property and threw the contents about the bus. The result was that several things were lost, much more was completely ruined, and the rest badly battered and torn. This loss would hardly be justifiable in the case of a contest in fun between two equals, but to do such a thing to a boy barely entering his teens shows not only thoughtlessness but even a tendency for wanton destruction. This incident was most regrettable, and we hope that the instigators will keep their talents in that line to themselves in the future.

The marks which came out for the first month are typical beginning averages. However, there are slightly more flunks than usual. Most of the very low marks are turned in by boys who are having a hard time to adjust themselves to preparatory school life after the regular high school ways. Many are in classes too far advanced for them. The number on the honor roll is ten which speaks well for a first month roll. We hope these will be able to maintain their places and that many more will join them. Two first

string players have been placed on probation which prevents them from participating in football, and we hope that these will be able to recover themselves in time to finish out the season.

News of Interest

Dr. Sven D. Knudsen of the University of Copenhagen and Danish commissioner of education delivered the second of his series of educational lectures on the boys of the Orient. These lectures will be continued for some time, and the students of all the world will be discussed. The school is fortunate to obtain such an instructive lecturer.

The Glee Club and Orchestra have begun rehearsals under the direction of Douglas A. Porrell, choir-master at St. Paul's Church, Newburyport. Much interest has been shown among the student body, and the results should be good. Both these clubs will appear on the night of the Dramatic Club's first performance.

The system of week-ends has been changed this year. It now takes a note from the parents to obtain one of these most desired of privileges. Instead of the old general week-end the rule is now any one from October 16 to Thanksgiving.

Work on the Morse Athletic Field is being continued in the direction of the turnpike. The entrance, below the garage, is now quite pretentious with a stone wall and stone pillars on each side of the gravel drive.

Under a twenty-five hour pumping test the new 125-foot well maintained its level with little depression, and it is evident that the supply of water will be sufficient to meet the needs of the school for some time to come.

The first performance of the Dramatic Club will be given sometime between the end of the football season and Christmas vacation. The play has not been decided upon as yet.

The new officers of the Dramatic Club are: Richard C. Griggs, president; Russel D. Hamilton, vice-president; Warren S. Lane, secretary; and Walter J. Budgell, treasurer. Mr. Paul W. Lehmann is the faculty adviser.

On October 20 Manning High of Ipswich sent its football team up for a mid-week scrimmage. The two varities played most of the time, and then the second teams set to for a few minutes. These are a great help to all concerned, and more should follow. Dummer put it over the Ipswich aggregation very decisively.

"Glitter," a novel by Katherine Brush, daughter of Dr. and Mrs. Ingham and wife of T. Stewart Brush '16, has been purchased by the First

National Pictures. Richard Barthelmess will star in the production.

The football dance will be held in the Lang Gym under the direction of Hart and Calderwood on November 20.

Jackie Farrell is now attending Miss Spaulding's private school in Newburyport.

The Honor Roll for the first month consists of R. D. Hamilton, J. Capron, R. N. Wagner, F. L. McKinney, M. Walker, E. G. G. Ladds, R. Martinez, P. L. Learned and from the Lower School, Owen Grant and Bobby Haag.

On October 29 Dr. S. V. Knudsen gave his third educational lecture on the schoolboys of the world.

On the evening of October 28 the football squad saw Richard Dix in "The Quarterback" at the Premier Theatre as the guests of Mr. Wenzel. Everyone appreciates his kindness and expresses thanks.

gains in these periods. St. Jean was the strong point of the opposition making good gains whenever played.

The Newburyport Second team replaced their tired Freshmen, but they were unable to gain through the strong Dummer defensive. They were, however, able to hold the Red and White and to keep the ball well away from their own goal. There was much fumbling in the second half due to the increasing darkness and cold. The Freshmen came in again in the fourth and began to lose ground when time was called with the ball on Newburyport's 32 yard line.

## DUMMER SECONDS 14 NEWBURYPORT SECONDS 12

Although much improvement was shown by the Newburyport Freshmen the Dummer seconds again captured a game from them when they played them a return game on the South End Field on Tuesday the twenty-sixth. Our team was in fine form and the fast backs excelled in tearing around the Newburyport ends for a fourteen to twelve tally.

The end runs were the most spectacular plays of the game. The Dummer cohorts also made good on line plunges netting many good gains through guard and tackle. The Freshmen had a plucky team and succeeded in holding the Dummer boys for downs more than once. The Frosh have in their quarterback, Littlefield, a very promising player and the Newburyport coach should have him in mind for a future star and ground-gainer. He put across several passes during the game one of which was sent from a punt formation and was received by Mosesian who galloped through the Dummer backs for the first Newburyport score.

Littlefield ripped through the line for the second.

Fernandez played a snappy game at guard for Dummer, Page, Fitzsimmons, and Poor were the outstanding backs for the home team.

## AMESBURY \*3—DUMMER 0

On October 16 the football team of Amesbury High School took the Dummer team into camp by a score of 13 to 0 which does not indicate the closeness of the game. The first half was very much a Dummer period, and it looked like the team had at last lost the jinx which had been pursuing them and was going to put it over the much favored Amesbury team. The Dummer team entered the game in a crippled condition due to hard scrimmages the past two weeks. The Temple brothers, who have been starring so far this season, both have leg injuries which force them to take a rest during the game at some time. Their removal leaves two hard gaps to fill. There are also two cases of "charlie-horse" and numerous sprains.

Dummer received the kick-off and ran it back to the forty yard line. Sawyer broke through for eight yards off left tackle on the first play, and Temple made about five on the next to start the team off in a snappy way. The first period was Dummer's best, and they threw a scare into the Amesbury ranks. Sawyer and Temple ripped through for big gains and the line was solid on the defense. For the most part the ball was kept in Amesbury territory. Toward the end of the period, however, they worked down to Dummer's ten yard line but lost the ball on downs. Dummer worked the ball back about six yards and then were forced to kick. Here they received one of their few favorable breaks, for as Hart was about to kick into a strong wind, the period ended, and he had the opportunity of getting off his kick with the wind at his back. The second period was much like the first. Both teams were forced to punt frequently, and the ball saw-sawed around the center of the field. About the middle of the second period Bert Temple, who was playing a great

game at tackle, received a crack on the nose that made him groggy, and he had to be taken out. However, the half ended without score.

In the second half Dummer's defense weakened perceptibly, and late in the third period Amesbury crossed the goal-line on a line plunge after a series of first downs. In the fourth period the Dummer offense lead by Captain Sawyer made valiant attempts to pierce the Amesbury defence. Sawyer broke through three times for gains of from fifteen to twenty yards, and several first downs were made but not in succession. Up to this time the aerial attack of Amesbury had found the Dummer secondary defense wide awake, and not one of their many attempts were completed. Finally, in the closing minutes of play, Amesbury on Dummer's twenty-five yard line slipped over a pass that went for their second touchdown, and this time their try-for-point was successful. It seemed to many that Amesbury had thrown two unsuccessful passes in the same series of downs and should have been penalized instead of allowed the touchdown, but the referee finally ruled that this was not so, and the touchdown was counted. The Dummer team put up a strong game and has improved greatly during the past week. One would hardly recognize the team on the defense. If the improvement shown thus far keeps on in its advancement the team should make a creditable showing in its remaining games.
